Clinical / Professional Experience

Consulting Psychologist (Clinical and Forensic): Private Practice

- ARCH Psychological Services (September 2001– present)
- Collaborative Psychological Resources (Oct 1993 - June 2004)
- Lucki, McKernan, Ehman Conflict Mediation Services (1982 - 1983)

Partner and Senior Psychologist in the firm ARCH Psychological Services from January 2005. Director, Collaborative Institute for Psychological Health, 2006 - present. In private practice, part-time from 1993 and full-time 1999 - present.

ARCH Psychological Services is a leading full service clinical and forensic psychology practice in Edmonton and Northern Alberta.

Clinical/Forensic Practice

- Psychotherapy (Cognitive Behavioural, Psychodynamic/Existential). Assessment and Consultation. Program management. Clinical supervision.
- Clinical practice: assessment and treatment of: relational concerns, anxiety, complex trauma and abuse, depression, substance dependence and personality disorders.
- Psycho-legal/forensic practice: Legal purpose assessments, interventions and consultations in: Family law (including child welfare and child custody & access), guardianship and trusteeship, testamentary capacity; Civil litigation particularly trauma and abuse as well as mental health cases; Criminal law including risk assessments, not criminally responsible, pre-sentence and curative discharge; Consultation in psycho-legal and professional practice issues; Tele-health consultations.
- Rostered provider: Court of Queen's Bench – family law assessments and interventions; Government of Canada - Medical Services Branch (Native Health Services); several Child and Family Services Authorities; Department of National Defence, Veteran's Affairs, RCMP, et al.
- Other Experience – Staff psychologist (sessional) - Division of Clinical Psychology, Department of Psychiatry - University of Alberta Hospital and Medicine - Department of Infectious Diseases (HIV/AIDS Program)

Consulting Psychologist

Ongoing consultation and clinical/program leadership:

- Clinical Director, Youth Assessment Centre (YAC), High Prairie, Alberta. Overall clinical responsibility for a residential treatment centre for youth experiencing significant symptoms of mental, emotional and behavioural disorders. Two beds are designated for Secure Services (involuntary treatment for youth at high risk to themselves or others).
- Consulting Psychologist, Mountain Plains Society; Grande Prairie Youth Emergency Centre.

Examples of previous consulting/program management roles:

- Executive Director, Chimo Animal Assisted Therapy Program (ABH-CAFS), Edmonton, Alberta (2007 – 2014). Overall responsibility for animal assisted therapy programs offered at health facilities including Alberta Hospital Edmonton, Glenrose Hospital, Villa Caritas, school based programs, community programs targeting FASD, family violence, youth in care and mental health of post-secondary students.

2015

- Children’s Mental Health Consultant, Parent Link Centres (Circle of Security program) in Northwest Alberta: Grande-Prairie, High Level, Slave Lake, Fox Creek, Peace River, Grande Cache, 2014-2015
- “Bridges Programme” – Evaluation of program delivering concurrent mental health, addictions, educational and correctional residential treatment services to youth (AADAC, Alberta Solicitor General, John Howard Society, Capital Health, Spring 2005)
- “Healing Together: Our Sacred Journey” - Project Manager for a multi-community Integrated Community Sexual Abuse Intervention and Healing Program (funder: Aboriginal Healing Foundation) for four Native communities including 10+ Reserves and Metis Settlements, leading a team of 8 contract psychologists and 3 community program facilitators. (September 2001 – March 2004).
 - Participation in Community Elders’ Gathering, St. Albert, July 13, 2002
 - Riediger, A., Lucki, G. Daniels, C., Joachim P., Willier, R., “*Healing Together: A community transformative justice model*”, May 14, 2002 – a presentation to the spring conference of Crown Prosecutors, Alberta Justice, Red Deer.
 - Presentation of three day seminar/workshops – “*The Dynamics of Sexual Abuse in the Community*” and “*An Integrated Community Sexual Abuse Treatment Model*” - Ft. Chipewyan, Sucker Creek First Nation, Grande Prairie and St. Paul, Alberta
 - Research manager/sponsor: Daniels, J., Nasir, H., Couture, J., et al. “*Healing Together: The Journey So Far. Program Development and Implementation. Interim Research Report*”, Edmonton, August 2002.
- “Healing Our Residential School Wounds” - Project Manager leading a program delivering a group psycho-educational healing program delivered to approx. 40 community groups of residential school survivors and inter-generationally affected individuals throughout northern and central Alberta. (September 2001 – March 2004)
- Alberta CMHA, Provincial Executive Director (short term assignment) - June - August 2001;
- City of Edmonton – Development of a city wide drug and alcohol abuse policy and procedures related to rehabilitation, disability management, and workplace accommodations.

Expert Testimony

Qualified as an expert in Court of Queen’s Bench and in Alberta Provincial Court Family and Criminal Divisions in areas including – psychological assessment of injuries, child custody and access, parenting evaluations, risk assessment, criminal responsibility, pre-sentence evaluations, curative discharges, diagnosis and psychopathology, sexual abuse, post-traumatic stress (including Aboriginal and non-Aboriginal clients), Indian Residential School claims, personal injury claims, harassment claims, expert review of psychological assessments / opinions, professional guidelines and ethics.

Sample testimony:

- Closure of court room in an adult criminal trial to protect accused – history of child sexual abuse - Provincial Court (Criminal Division)
- Not criminally responsible - mental disorder/PTSD - Provincial Court (Criminal Division)
- Mitigating factors and pre-sentence reports in criminal matters
- Plaintiff’s psychological capacity to undergo a defence medical examination and examination for discovery, risk assessment (Court of Queen’s Bench)
- Plaintiff’s mental state and risk assessment in civil/family matters (Court of Queen’s Bench)

2015

- Child Custody and Access; Parenting assessment for guardianship and high conflict child custody/access (Court of Queen's Bench)
- Parenting Capacity/Fitness (substance abuse, neglect, history of incest, mental illness, risk evaluation) Provincial Court (Family Division)
- Victims of Crime assessments including issues of extending limitations due to inability to initiate legal action

Mental Health Clinic Leadership

- Clinic Manager (Manager III), Central Area Mental Health Clinics (Red Deer - Innisfail - Lacombe), Provincial Mental Health Board (April 1993 - August 1995)
- Area Clinics Manager (Senior Officer I), Red Deer Area (Red Deer - Rocky Mountain House), Alberta Health - Mental Health Division (April 1987 - March 1993)

Overall responsibility for delivery of publicly funded community mental health services to approximately 120,000 residents in Central Alberta. Annually served 1200 individuals (children to elderly) or families with moderate to severe symptoms of mental, emotional or behavioral disorder or dysfunction. CCHSA accredited. Act in the absence of the Regional Mental Health Director. Ongoing clinical practice.

- Clinical and administrative supervision - multidisciplinary team of 15 professional and support staff; student interns in marriage, family and child counselling and provisionally registered psychologists
 - Clinical supervision of regional forensic psychology services - Developed and supervised psychology program in Red Deer Remand Centre and community corrections office (1988 - 1990)
